The Rally Site

Scone Palace is a place that breathes history like nowhere else in Scotland. Today, it is the home of the Earls of Mansfield, and a major attraction to visitors from all over the world. Fifteen hundred years ago, it was the capital of the Pictish kingdom, and the centre of the ancient Celtic church. In the intervening centuries, it has been the seat of parliaments and the crowning place of kings. It has housed the Stone of Destiny and has been immortalised in Shakespeare's Macbeth.

Perth is known as "The Fair City" since the publication of the story, Fair Maid of Perth, by the Scottish writer Sir Walter Scott in 1828.

You are assured of a warm Scottish welcome at the venue.
